

WELLINGTON[®]
Orthopaedic & Sports Medicine
Brian K. Crellin, D.O.

Dear Patient:

I would first like to thank you for seeking out my practice for your orthopedic care. I currently see patients at Wellington's Blue Ash, Eastgate and Sardinia offices. As a new patient to my practice, you will be asked to fill out some "new patient paperwork" prior to your appointment. If you have internet access, you can go to www.wellingtonortho.com, click on patient forms, click on my name (Brian K. Crellin), print off and complete the following forms. As an effort to reduce your waiting room time, I ask that you bring these completed forms to my office the day of your appointment, along with your driver's license/state I.D., health insurance card and copayment.

In advance, I would like to apologize for any long wait times you may experience while in the waiting room of my office. I am not only a physician, but an educator. As such, I value the time we will spend together in the exam room. I feel it is my duty to diagnose your condition, educate you on it, and come up with a treatment plan together that will lead to as quick of a recovery as possible. In order to achieve these goals, I will spend as much time as is necessary with you. This may lead to a longer wait in the waiting room while I am treating earlier patients. Be assured, I will spend as much time with you as you need. I always encourage my patients to bring a magazine or book of interest to keep you busy during your wait. Again, I apologize in advance for any long wait times you may experience. I look forward to meeting you at your appointment.

If you have any questions prior to your appointment, feel free to contact my Administrative Assistant, Erin Purmort at 513-753-7488, Extension 2828. Again, thank you for choosing me as your orthopedic surgeon.

Sincerely,

Brian K. Crellin, D.O.
